

Dear Members, I want to extend congratulations to all who have been elected. I also want to thank all members who have exercised their right to vote and help CRONA move forward to a stronger united future.

The new term for office is 3 years beginning December 1, 2016 and ending November 30, 2019

I would like to thank all those who have consented to serve as area representatives, on committees, and on the executive board. It is your dedication to serve that builds CRONA and keeps it strong for our members and future nurses of Stanford Hospital and Lucile Packard Children's Hospital.
