# CRONA Convention 2017

The 2017 CRONA Convention was a great success ! In addition to completing CRONA business, our area representatives, alternates, and committee members had an opportunity to meet and network with representatives from other units. Together area representatives from both hospitals discovered and shared common concerns, ideas, and commitment to improving working standards and defining contract issues.

As we go forward with tower expansions at both hospitals, CRONA depends on the continued strength and unity of our area representatives and general membership to achieve our goals.

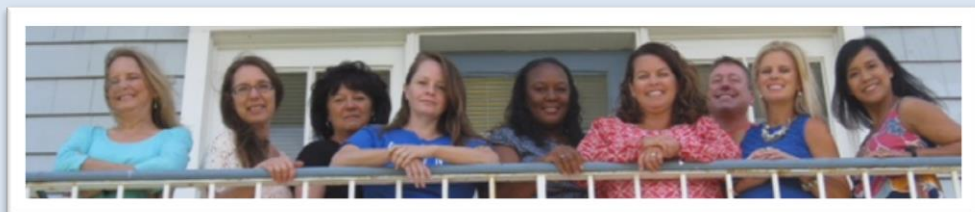

The CRONA Executive Board is proud to have witnessed the great commitment, comradery, and unity of our area representatives and committee members. CRONA members are invited to apply for the various open alternate, committee, or area representative positions now available.

Visit the CRONA web site for area representative or committee member open positions. Contact CRONA or any representative or board member for details if you are interested in helping raise the bar in nursing achievements at Stanford. You are what make us great !

## CRONA Scholarships

CRONA is pleased to announce that there will be an increase in CRONA sponsored scholarship awards in 2018. Stand by for further information and application dates and deadlines.

**ADO's** (Assignment Despite Objections forms) Thank you to all members who are filling out these forms that allow the CRONA Board to explore and address unsafe or objectionable working conditions. After faxing one copy to CRONA, leave a copy for your manager, and keep a copy for yourself. CRONA will follow up on the situation.

### **Don't Get Lost !**

As meeting locations become a scarce commodity, our ability to use the LPCH auditorium for our monthly meeting may alter in the future. Look for our monthly meeting announcements and double check the meeting times and location.
