## Your Retirement Savings Plan Matching and Employer Basic Contributions

---

In July, the Retirement Savings Plan transitioned from Transamerica to **Fidelity**. As part of the transition, **Fidelity** is now calculating the matching and employer basic contributions made to your account on behalf of Lucile Packard Children's Health. In the past, your matching and basic contributions appeared on your pay stub.

Going forward, you may view matching and basic contributions made to your account when you log on to **Fidelity** NetBenefits®.

**Follow these steps to view your account activity on your desktop.\***

1. Log on to your RSP NetBenefits® account
2. Click on *Quick Links* Menu
3. Select *Transaction History*
4. Select *Transaction History* again
5. Select *Sources* tab below the *Time Period* section to view your basic and match
6. You may select other dates or time periods and click on *Get History* if you wish to go back further than 30 days

*\*Your experience may differ based on platform, operating system and/or browser.*

**Typically, you can see your company matching contributions on NetBenefits the Monday following payday. Your own employee contribution will continue to be available on your pay stub.**

If you have any questions regarding your Retirement Savings Plan account please call the **Fidelity** Retirement Service Center at 800-343-0860.
