

## Alternative/Temporary Jobs

**Note:** this list is intended to be a starting point, not an exhaustive list. You may wish to use your preferred online search engine to search for alternative work. There are many companies online and on social media that advertise to nurses; check your social media feed, LinkedIn messages, etc.

### Getting Started:

- Create a profile on the desired company website.
- Create a separate email on the platform of your choice for correspondence to in order to avoid your main email inbox being inundated.
- Fill out the appropriate skill set sheets (M/S, Tele, PACU, OR, ICU, Ambulatory, Oncology, etc.).
- **Have the following documentation ready for submission:**
  - ACLS card
  - BLS card
  - ENLS (if applicable)
  - PALS (if applicable)
  - Any other certifications pertinent to your specialty
  - Driver's License/ID copy (should you accept a contract)
  - Social Security card (should you accept a contract)
  - Immunization/Titer History, including COVID-19 vaccination and booster
    - Note: You will still be required to undergo a drug screening and likely a QuantiFERON test for TB. This is set up and paid for by the travel agency.
  - Copy of your completed HealthStreams (some facilities will accept these).
